September 2018

Dear Parents/Guardians,

In June 2019, we are proposing to take the year 6 pupils on a residential trip to London. It will be an amazing opportunity to experience the vibrancy, culture and attractions our capital has to offer.

The 4 day, 3 night trip is likely to include activities and attractions such as a 4D show then a flight on the London Eye; a River Thames city cruise; a West End show; sightseeing around London's famous sights; visits to the Natural History and Science Museums; a tour of the Houses of Parliament; another London attraction; travel for the whole trip in an executive coach; hotel accommodation and meals in central London such as the Rainforest Café and Garfunkel's. It is not possible to give you an exact itinerary until we know numbers of children, but this gives you a flavour of the activities on offer.

The trip will be organised by us and a company called Curriculum Travel. Mr Peck has run very successful London trips in the past with groups of children and they have absolutely loved the experience! The **approximate** cost of the trip will be £300 and we are committed to keeping this as low as possible. We have negotiated a highly competitive quote and will ensure excellent value for money in a packed itinerary. We will also seek opportunities across the year to look for subsidies and fundraising opportunities to see if we can bring the price down further.

Can you please return the slip below, this week, if your child is interested in going to London so we can get an idea of numbers. A letter will then follow with exact details of the proposed trip if it goes ahead. We would very much like to talk to any parents should costs be a barrier to not participating or if you have any further questions.

Mr J Peck and Mr Stanlake

✂

Year 6 London Trip

My child is interested / not interested in the trip to London which will take place in June 2019 next year.
