

1st March 2019

Dear Y6 Parents/Carers,

It is a busy time of year at school so we thought we would share some information and updates about upcoming events:

BOOST CREW!

The Y6 staff will be running The Boost Crew Club on Thursdays after school from 3.15-4.15pm. Boost Crew is for all Y6 who would like to come and work with the Y6 staff on any area in Maths and English where they would like some support or would like to improve. It is for all abilities of learners and it will be fun and engaging. We will use i-pads and other resources to make Boost Crew stimulating and we know the children will gain greatly from attending. It is not a homework club but if this is something you are stuck on or need support with then please do come along and bring it with you.

Boost Crew will run from Thursday 7th March to Thursday 9th May. We hope to see as many Y6 attending as possible.

Comic Relief

**COMIC
RELIEF**

Friday 15th March is Comic Relief's Red Nose Day and the Y6 would like to support this process by making (or buying and decorating) cakes/cookies or other baked goods to sell on Thursday 14th March and on Red Nose Day itself. The money raised will go to Comic relief and also help support the Y6 fundraising towards the London trip. We would be delighted if any food items could be brought in for that Thursday morning where we will sell them to the school community. The theme is 'RED' where possible so we could get really creative. A big thank you in advance for supporting on this.

London trip

We are in the process of finalising a very exciting itinerary for the trip and will host a meeting in the future to discuss this and other aspects in more detail. The final price cannot be confirmed yet as we are still fundraising. The children also plan to host stalls at the Easter fayre. The price has dropped from £300 to £290 with fundraising so far. If you pay the full amount off and the trip ends up costing less you will be reimbursed of course.
