

Friday 10th July

Dear Parents/Carers,

Reopening in September

As we hurtle towards the end of term, we continue to build our plans for reopening to all pupils in September. We are awaiting some advice on specific matters from the local authority and hope to have fuller details and an updated risk assessment ready for you by the end of next week. Unfortunately, we do not anticipate being able to safely offer breakfast or after school clubs in the first few weeks of term but will be striving to restart these as soon as possible. We will keep you updated as soon as we have more information.

Rainbow Games

Following from the success of the Cornwall Virtual School Games and in the absence of our usual sports day events, Nic Stanlake has been working hard to put something special together for Penpol. We are pleased to announce our first ever 'Rainbow Games'! This will take place next Thursday in the place of other home learning and we invite all children (and family members) to take part in whichever way they can. Full information can be found here: <https://www.penpolschool.co.uk/wp-content/uploads/2020/07/The-rainbow-games.pdf>.

Parenting Podcasts

The Together for Families at Cornwall Council have put together some useful podcasts which will be released, I believe, on a weekly basis. The first of these can be found at the links below:

Music Without the Marquee

Sadly, our annual Music in the Marquee event was not possible this year. To make up for this, Jacob Woolcock has been busily contacting past performers to bring a very special digital event to Penpol. More information can be found in today's assembly and on the school website.

Annual Reports

A reminder of our report collection details for next week are below. Please arrive to collect your child's report between the times indicated below. Class teachers will be present and you are very welcome to bring your child with you. **It is essential that social**

distancing measures are observed at all times during this process. Please keep at least 2 metres from staff and other families throughout. We understand that this will not work for everyone; if you are unable to collect your child's report, please do get in touch and we will make another arrangement.
