Dear Parents and Carers,

## Thank You

What a term it has been! Thank you all for your support and collaboration during recent months. These have been testing times for all and particularly so for parents and carers. Your creativity and resolve has been truly inspiring and, consequently, your children have continued to thrive. I do hope that you take a moment to look back and celebrate all you have achieved. Throughout these challenges, we are proud that you have placed your trust in us and that we have grown closer than ever as a school community. Thank you for your many kind words and messages. These really do mean the world to us. It would be an enormous help if you could please share your thoughts, good or bad, at our parent/carer survey which closes tomorrow:

Thank you to our team of incredible staff and volunteers who have been working tirelessly throughout the term to support pupils at home and school. It is an absolute privilege to work at Penpol amongst such a dedicated and compassionate team of professionals.

I would also like to thank your remarkable children. Throughout some of the greatest changes and challenges in generations, our pupils have astounded us all with their readiness to adapt, grow and support each other. These children are the future and the future is looking very bright indeed.

## September

We are very excited about our return in September when we will be able to welcome all pupils through our doors once more. Your child may have questions or worries about this. Please do take the time to talk it through with them and send any questions they have to my email address below. Later in August, Mrs Pope and myself will produce a Frequently Asked Questions video.

## Beach Safety

The RNLI have not been able to pay their usual visits to schools this term and, with fewer patrols on beaches, water safety is more important than ever. This handy video is well worth sharing at home: <https://rnl.org/video-player/3E356418-9FC7-4B6D-A5D8AF30D2A53E82>

From all of us here at Penpol, we wish you a wonderful summer.

Although our team are taking a well-earned break in the coming weeks, we are contactable should you need any **support**. Please don't hesitate to get in touch using my email address below.

Best wishes,

Chris Chislett
