

Penpol School

2 St George's Road, Hayle, Cornwall, TR27 4AH

Dear Parents/Carers,

We are very conscious that our safety measures are preventing us from welcoming you into the school buildings as much as we would like. We are hugely proud of our school spaces and the learning they inspire. We are currently working on an interactive map which will allow you to explore the various rooms and spaces in which your child learns in more detail. This is expected to be available on the website by the end of next week so watch this space!

One learning space which has been the focus of a great deal of time and dedication recently is our new infant library. Thanks to the combined efforts of many members of our team, we now have a beautiful space in which our younger children can nurture their love for reading and early language. I would like to thank all of my colleagues for continuing to strive for the best possible outcomes for our pupils throughout these unusual times.

A reminder that **next Friday 9th October** is Hello Yellow day, in support of the Young Minds charity. More information can be found in last week's update. Children are invited to wear their own clothes and something yellow for the day. Please place any voluntary donations in an envelope in your child's bag on the day.

As you will see in a separate letter from Tiffany Pope, we are pleased to be starting a slightly adapted early morning club from next Wednesday. This is open to all families but places are limited. Therefore, we ask you please to use this provision only when needed.

We have seen several near misses recently involving cars parked in the farmer's driveway outside the school site. Children have found themselves veering out into the road to avoid parked and moving cars which is a huge concern. **Please do not park in this driveway on any occasion.** We still have parking permits available for the Foundry Square car park. These are being distributed on a first come, first served basis to families from all year groups. Please contact the school office for more information.

Thank you all for your continued support. I hope that you are able to stay warm and dry this weekend.

Best wishes,

Chris Chislett
