

Friday 13th November

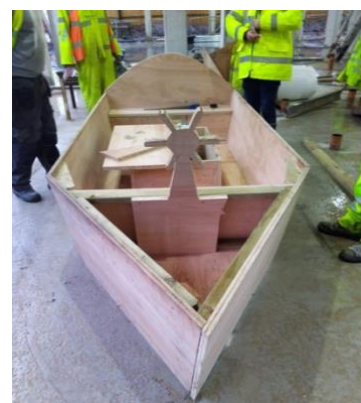

Dear Parents/Carers,

Thank you for your many generous donations to **BBC Children in Need** and for the fantastic costuming and face painting efforts. Donations received today total over £390 – well done all! The event's format this year is more low-key than usual but the work that it supports is more vital now than ever. [More information and a link to the online donation page can be found here.](#)

In last week's update, we recommended that you please wear a **face covering when onsite** unless you would usually be exempt or if you feel that this may distress your child. Your engagement here has been fantastic. It is important to remember that **keeping a safe distance** remains equally critical, even when face coverings are worn. Thank you very much for your support.

We are very lucky with our **outdoor spaces** here at Penpol. You may have noticed that, thanks to our amazing colleagues, several spaces are enjoying further development and are looking fantastic. We are also very grateful to a number of **local businesses** who have kindly donated additional resources, materials, time and expertise. These include: The North Quay development team, Hayle Plants, Dobbies Garden Centre, Ian Caddy Clean Image and Foundry Under Fives. To the right is a sneak preview of our new playground boat, soon to be delivered by the North Quay team. Thank you all!

Bovis Homes have expressed a **safety concern** about a number of children playing dangerously on or near their building site. It is not known whether these children attend Penpol but please do discuss with your child if they walk home past the site.

Aspens

Our **school meals** provider, Aspens, continue to deliver healthy and delicious meals in a safe and COVID-secure way. If your child is not yet using the service, we encourage you to give them a try. [More information about Aspens can be found here.](#) Please do get in touch with the school office if you need any support accessing your account.

Your child will today be bringing home a '**Bag2School**' collection bag. This is a great way to have a clear out at home whilst raising money for the school and diverting unused clothing away from landfill. Please bring any filled bags to school on the morning of **Tuesday 8th December**, placing them inside the bike shelter. To mark the occasion and help us all remember it, this will be a **non-uniform** day.

Some of our older pupils who walk to school carry **mobile phones** for safety reasons. If this is the case for your child, please remind them that their phone should be kept in their bag at all times onsite and passed directly to their teacher when in class. Many thanks for your support.

St Day Youth AFC are looking for players for their Years 3 and 4 girls' football team. Please contact 07825635733 or 07875596798 if you are interested.

Finally, congratulations to all in Year 2 who brought their Castles learning to life this week with a wonderful **Kings and Queens** day. Much merriment was enjoyed by all.

Wishing you all a relaxing weekend. As always, please do not hesitate to get in touch if we can help in any way.

Very best wishes,

Chris Chislett
