

A collage of 15 photographs showing children engaged in various outdoor activities. The photos depict children playing with bubbles, running on a grassy field, painting at a table, working with water and containers, sitting on the ground with toys, playing with a hula hoop, running in a race, and participating in a sack race. The children are wearing school uniforms (yellow shirts and blue shorts/skirts) and are having fun in a sunny outdoor setting.

Clare Sara, Year 1 Teaching Assistant, is leaving us temporarily today to begin her maternity leave. From all of us at Penpol, we wish Clare and her family all the very best and look forward to welcoming her back to school in the not-too-distant future!

For many of you looking for updates today, you may have found that we were experiencing significant problems with our **website**. We are very sorry for any inconvenience caused. The problem has been resolved and it is back online now.

Thank you all for your very kind donations to **Drama Express**. You raised a fantastic £265, all of which will support young people with additional needs to enjoy their passion for drama. To learn more about the charity, please click here: <https://www.drama-express.org/>

We now have a beautiful coop for our **chickens**! Ivan has been working really hard to get everything ready before the end of term. There will be a photo to follow! If you replied previously expressing an interest in helping to look after the chickens, you should now have received a text message asking you to reconfirm. For any newly interested families, please send a text message to the office or contact me at my email address below. We will then be able to draw up a timetable for over the summer holidays! We look forward to welcoming our feathered friends very soon!

Wishing you all a restful weekend.

Best wishes,

Chris Chislett
