

Tuesday 11th January 2022

Dear All,

We will hold a non-uniform day next **Friday 21st January** to raise funds for Nicolette Baker, a close friend of Mr Pollard's from primary school. She has an incredibly rare condition which went undetected throughout her childhood. It has resulted in hugely complex health problems and she is seeking to raise funds for an urgent lifesaving operation in Germany.

Children are invited to wear their own clothes to school on the day. Any voluntary donations, either sent in to school or made directly on Nicolette's Justgiving page, would be very gratefully received.

Thank you for your support. We wish Nicolette the very best of luck with her surgery.

Best wishes,
