

Special Educational Needs and Disabilities (SEND) Information Report 2022-23

We want every child to leave Penpol School wanting and determined to make a difference to the world, and having the skills to do so. In order to do this, we believe that we have to enable the children to be emotionally intelligent, resilient and brave, so that they will stand up for what is right and be ambassadors of social justice.

At Penpol, we believe that every pupil, regardless of gender, race or disability, has a right to equal access to a broad and balanced curriculum. We consider it essential that the curriculum is presented in a supportive and stimulating atmosphere, which values each child and encourages them to achieve their full potential.

This encompasses the four main areas of SEND:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health
- Sensory and/or physical.

Penpol School's SEND Information Report is written with full regard to the United Nations Convention on the Rights of the Child.

In line with the SEND Code of Practice 2014, the Children and Families Act 2014, the Disability Discrimination Act 1995 and the Equalities Act 2010, Penpol School offers provisions to meet the needs of all children with SEND including those who do not have Education, Health and Care Plans (EHCPs).

During the 2022-23 academic year, we had 57 Children receiving SEN Support and 12 children with an Education, Health and Care Plan. One child was dual registered with Wave Academy and received a full-time placement at Oaktree.

We monitor the quality of this provision by formal classroom observations and regular learning walks with leadership/SENDCo; liaison with parents, class teachers and learning support assistants.

We measure the impact of this provision by how happy the children are and how much progress they are making; through the plan, review, do cycle (including child's voice); monitoring reviews by all stakeholders and assessments eg Boxall, IDL, and weekly inclusion team meetings.

Support Staff Deployment:

Support staff are deployed in a number of roles:

- ✓ Supporting small group learning, directed by the classroom teacher
- ✓ 1:1 support, supporting individual needs
- ✓ Ensuring children are settled, happy and learning, especially at transition points.

We monitor the quality and impact of this support by child specific targets, lesson observations, student progress, teacher feedback and parent meetings.

Distribution of Funds for SEND:

The SEND budget was allocated in the following ways:

- ✓ Support staff
- ✓ External Services (See School Local Offer)
- ✓ Teaching and Learning resources
- ✓ Staff training

Continuing Development of Staff Skills:

We have an amazing team of highly skilled staff ready to support all pupils. We have TA training on site every week, looking at a different area each week; and SEND is regularly discussed at weekly staff meetings. Our appraisal system points staff towards new training opportunities and research.

Partnerships with other schools and how we manage transitions:

Penpol School works in partnership with other schools locally, including our nearest secondary schools and specialist provisions. Our SENDCo is also SENDCo at Sennen School and is part of local SENDCo networks which meet termly.

We recognise that transitions can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.

- If your child is moving to another school we will contact the school SENDCO and ensure that they know about any special arrangements or support that need to be made for your child. We will make sure that all records about your child are passed on as soon as possible.
- When moving classes in school: Information will be passed on to the new class teacher IN ADVANCE and in most cases, a planning meeting will take place with the new teacher. All Provision Maps and 'Assess plan do review' documents will be shared with the new teacher. Depending on the needs of the child a visit to their new classroom can be provided to help them in their understanding of moving to a new class. Books can be made containing photographs of the child's new teachers, classroom, etc for your child to take home with them over the summer holidays so that they can become familiar with everything whilst they are not in school.
- When moving into Penpol School during the academic year: We will meet with you and your child to discuss their needs and decide how to best transition into our school. We will liaise with the previous school SENDCO to discuss the provision and obtain records from external agencies. Where appropriate, we will organise a TAC meeting six weeks after starting to discuss the transition and ongoing support.
- In Year 5/6: We fully support parents and carers in making decisions about the secondary school they choose for their children and work with them to ensure the smooth transition from KS2 to KS3 is smooth. The SENDCO will attend the Primary Transition Day to discuss the specific needs of your child with the SENDCO of their secondary school, and the specialist session for SEND students as appropriate. Your child will have opportunities to learn about aspects of transition to support their understanding of the changes ahead. Secondary School support workers are invited into school. Where possible your child will visit their new school on several occasions and in some cases staff from the new school will visit your child in this school.

We ensure that the transition from Preschool to Reception is smooth by a weekly Preschool Club, regular visits to the preschool by the reception class teachers and several transition days at school in the summer term. We have a graduated start to the Autumn term with reception children starting with half days, building up to full time over 3 weeks.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this

through our School Development Plan, which includes our SEND Development/Action Plan. In addition, our training needs for staff are based on a skills audit and the needs of children at Penpol School.

Anyone wishing to make a complaint with regard to SEN support and provision should contact the SENDCo, Mrs Rebecca Thomas, or the Head Teacher Mr Chris Coyle-Chislett
