

17th March 2023

Dear Parents and Guardians,

Thank you all for your fantastic support for today's **Red Nose Day**. The children looked fantastic and, thanks to your kind donations, we have raised lots of money for the Comic Relief appeal. It is not too late to donate and you can do so at this link: <https://rb.gy/xqes3d>.

Thank you too for your responses to our **nursery survey** so far. If you have not completed the survey and have a moment to spare, we would be very grateful. Thank you. <https://forms.gle/V4nfZ7YXSLKuvZ9y7>.

As some of you will have noticed Amanda Chard has retired from her role as **road crossing patroller at the millpond**. We would like to thank Amanda for her years of service to our community, through which she has kept countless children safe. I have been in touch with the local authority and am hoping for an urgent update on their plans here. In the meantime, please do support your children to take great care when crossing the road at the millpond. Thank you.

Next week is **Science Week** at Penpol School! Children can look forward to lots of exciting opportunities to be real life scientists across the school. To get us ready, our Science Lead, Sheridan Peck, led some exciting assemblies this afternoon.

On Tuesday and Thursday next week, classes will be going back to Hayle Library. Please do send your **child's library card** in to school with them. Thank you.

We look forward to welcoming you to **parent and carer meetings** next week. If you have not been able to book an appointment that works for you, please do get in touch so that we can arrange a meeting at a time that works. Thank you.

Finally, next week is also Sustrans' **Big Walk and Wheel Week**. Please see more information below:
