

## CAREERS FAIR 2023

Dear Parents / Carers,

Next week we will be holding our third **Careers Fair** in school. This has proven to be a fantastic event in the past, giving children a valuable insight into a huge variety of jobs and careers. It is open to all children in school and their parents/carers.

This year the Careers Fair will be held on Wednesday 24<sup>th</sup> of May from 3.15pm until 5pm. Pupils will be able to learn about a variety of different professions and job roles during this time.

The fair will be run by myself and all of our amazing volunteers with lots of different stalls dotted around school. All children will be welcome to come along and talk freely to the stallholders. You can ask any questions you might have. Some participants in the past have brought in an interactive experiences related to their job role.

Any and all jobs are important and relevant and we have planned for visitors from a range of areas to come along. We do still have spaces for anyone else who might want to join us next Wednesday to share information about their profession. We would welcome parents and carers sharing this message with anyone you know who might be interested to attend and talk about their job.

We are always short of people within trades (understandably, with many being self-employed) but if you could spare two hours out of a day to inspire the children, please do get in touch with myself at [mpollard@penpol.cornwall.sch.uk](mailto:mpollard@penpol.cornwall.sch.uk)

We look forward to seeing many of you next Wednesday.

Many thanks for your continued support,

Mark Pollard  
Careers Lead
