You may have noticed the added Christmas sparkle around Penpol this past week. The tree is up, and the decorations are hung—but there was one problem: it was missing a star!

Thankfully, Samson came to the rescue, designing and crafting a beautiful new star to sit proudly atop the tree in the hall.

Thank you, Samson—you're a star!

Congratulations to our three talented young gymnasts—Maia, Elowyn, and Olivia—who claimed the top three overall positions in the 2017–2018 age group at Penzance Gym Club's Winter Wonderland!

- Maia shone with 1st place on the vault and floor, and 2nd place on the bars and beam.
- Elowyn impressed with 3rd place on the vault, and 1st place on the bars and beam.
- Olivia secured her spot on the podium with a strong 3rd place finish on the floor.

Well done, girls—we are so proud of your hard work and achievements!

It's been another busy week here at school!

Year 3 celebrated the culmination of their Ancient Egyptian learning with an exciting Egyptian Day.

Nursery visited the guests at Bonaer Nursing Home to share some Christmas crafting, spreading festive cheer.

Year 4 welcomed staff from The Old Forge, who supported their learning about diet and healthy eating—thank you to everyone involved!

Class 14 took on a DT challenge, showing admirable determination and independence as they designed, sawed, sanded, drilled, and wired their very own Morse code machines.

A huge thank you to everyone who helped make all of this happen!

Have a great weekend all!

Mr Nic Stanlake

Don't forget: this **autumn term finishes at 2pm on Friday 20th December**. With no after school club running on this day. Thank you.
