

Friday 17th January 2025

Dear Parents and Guardians,

It's been another busy week at Penpol, with fantastic learning taking place across the school. Particular congratulations to our writers in Year 1 who have created some excellent dino-themed stories based upon Michael Rosen's *Bear Hunt*. Meanwhile, Year 6 have been getting to grips with binary code to support their learning about Alan Turing and Year 4 have been *submerging* themselves in this year's Lego League challenges. Why not pop over to our website to learn more about what we've been up to recently?

<https://www.penpolschool.co.uk/>

As part of our **careers sessions**, it is important that the children have an opportunity to talk to people from as many different job roles as possible. If you would be keen to come in and chat with the children about your job or know someone who could, please contact Tiffany Pope on the email below to arrange a date. Tiffany teaches careers each Wednesday afternoon. It would be lovely to welcome as many people as possible to be a part of children's career journeys.
tpope@penpol.cornwall.sch.uk

Children's **road safety awareness** is particularly important at this time of year with darker, often wetter conditions for drivers. As ever, we will continue to discuss this at school. Please do take the time to talk through at home also - particularly if your child travels to school independently. Some useful resources can be found here: <https://bit.ly/4hlQano>.

This Thursday is our **Parent/Carer session** looking at the teaching of **writing** across the school. We would love for you to join us if you can! More information can be found here: <https://bit.ly/40EfUWx>.

Finally, another reminder that we are **closed to all pupils on Monday for staff training** in which we will be exploring the fun and fundamentals of Maths with expert Kate Frood. You can find dates for the next academic year at the page below: <https://www.penpolschool.co.uk/calendar>.

Wishing you all a relaxing weekend.

Chris Coyle-Chislett (he/him)
