This week was our **Festival of Maths** at Penpol. We had a great time across the school exploring a host of mathematical games and activities, as you can see below!

Many thanks to all who were able to join our **maths workshop on Wednesday**. It was great to see so many of you there and to enjoy some mathematical fun together. You are warmly invited to sign up to our **Keeping Up with the Children in Maths Programme**, starting after half term. Please follow this link to add your name to the list:

Do you like pasties?! We do and next week, some of our pupils will be working with The Pasty Box charity to create their own. If you would like to get involved and make pasties at home as a family, you are invited to buy your own delicious pasty box here:

<https://www.thepastybox.com/shop/>. Please see attached poster for further details.

Best of luck to our very sporty colleague, Nic Stanlake, who will soon be completing the **London to Brighton bike ride**. To find out more and to sponsor his efforts if you can, please follow this link: https://www.justgiving.com/fundraising/nicholasstanlake-667dca235f63e62e49f0ba6e?utm_medium=FR&utm_source=CL. Thank you.

This week, Year 3 paid a fantastic visit to Geevor to learn about Cornish mining heritage. Meanwhile, Year 4 set to work in helping to develop Ellis Park. Great job, guys!

Wishing you all a wonderful weekend.
