Sports Day Success for Godrey!

This week, even though the weather wasn't perfect, KS1 and KS2 still had loads of fun at Sports Day!

On Wednesday, KS1 had a whole day of sports and games. In the morning, they danced around the playground with Morvah's mum (she was awesome!), and then they went onto the field for loads of fun activities. Everyone loved the parachute and pass the hoop the most!

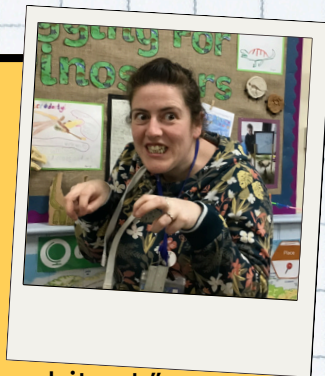

In the afternoon, the parents came to watch the races. There was running, egg and spoon, and the funniest one was the space hopper race – everyone was bouncing everywhere!

KS2 had their Sports Day on Monday. We did the usual carousel of activities, but this year there were some new ones too. One of the best new things was the water-carrying balance beam. Bobby said, *"I'm absolutely soaked!"* but he looked like he was having loads of fun.

At the end of the day, we had races just like KS1. When all the points were added up, Godrevy won the trophy! But we all had a great time, and everyone tried their best. It was such a fun week!

Miss Sara

If you were not a teacher what job would you like to do?

"Oooh, I wanted to be an architect."

Do you have any hobbies? If you do what are they?

"I like reading, drawing and photography."

What is one of your favourite children's books?

"Oooh, The Lion, The Witch, and The Wardrobe, and The Word Collector!"

If you could time travel to any time when would you?

"Oh I would travel back to the time of the dinosaurs, just so I could see how big they were."

What are your favourite subjects to teach?

"Phonics, because I love helping children to read!"

What season of the year do you prefer?

"Autumn, because I love Halloween, and I get to make treat bags and prank people with sprouts!"

Year 4 head off grid at Camp Kernow!

What a week Year 4 have had! Not only did they complete Sports Day and their multiplication check, but they also went on school camp!

They stayed at Camp Kernow, which is an 'off-grid' campsite. That means it uses solar showers and compostable toilets (great for the planet, not so great for their noses!).

Even though it was super rainy, they didn't let that stop them. They had a go at climbing, tried out archery, and went exploring in the woods with a real woodsman! He even taught them some Cornish words and told them stories about the woods and its history. Mr Emery told us *"It was really interesting (and a bit spooky too)!"*

After all that excitement, we're sure they are definitely going to sleep well this weekend!

Next Week

Next week is set to be another busy one—just like most of the summer term! We've got surfing, tennis, and parent-teacher meetings all happening, as well as our Free to Be Me Day on Friday!

On Friday, children are welcome to come in wearing colours or costumes that best represent them—who they are, what they love, or how they feel most confident. We can't wait to see all the creativity and individuality on show!
