MRS
POPE'S
NOTE

This week, it has all been about celebrating writing across the school. The children have been focusing on letter formation, writing fluently, and incorporating correct punctuation and descriptive language into their written pieces, or using a digital device to record their ideas. Please enjoy the examples on the next page. Well done, everyone! It was a joy to come around and see everyone enjoying their learning.

Penpol School is the best, I never want to go home and rest.

We all care, we all share.

Never judge a book by it's cover, you never know what you might discover.

We all care about each other.

SCHOOL DROP OFF AND PICK UP:

The recent bad weather has led to more children being dropped to school in a car. Please ensure that the farmer's gateway, located next to the school, is not used as a drop-off point or as a parking spot. This means that cars are backing out onto the main road, into traffic coming down the hill, which has led to a few near misses. It is very difficult to speak to people at the time, as we are focused on getting the children across the road safely. We thank you for your support with these safety measures.

We want to wish Hannah King all the best for her maternity leave. We can't wait to meet the new member of the family.
