

# PENPOL SCHOOL NEWSLETTER

9th January 2025

Thank you!

MRS  
POPE'S  
NOTE

Welcome back, everyone! It has been so lovely to see you all this week.

I think we have experienced every type of weather known to mankind! Thank you for your patience and understanding yesterday. The safety of our children, parents and staff is of paramount importance to us. We always follow official guidance, and we really appreciate your support with this.

Let's hope for a calm week next week!

We are extremely sad to announce that Lesley Allen will be leaving us.

She has made truly transformative changes to our children's lives and to the way we use the outdoors to enhance their education. The nursery will remain a forest-led provision, continuing the wonderful foundations she has built.

Lesley is also a kind, caring and supportive person who has helped us so much as a staff team, both professionally and personally.

We are going to miss you greatly. You will be fabulous in your new adventure.

With love,  
The Penpol Crew

Thank you!

Thank you, Madeleine, for everything you have done for our school.
