## 12TH DECEMBER

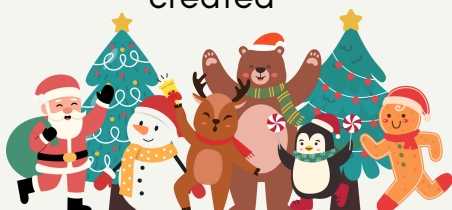

The children have had a wonderful week taking part in community events and KS1's wonderfully festive performance. It has made us all feel warm inside and full of Christmas cheer.

We have KS2's carol concerts to look forward to next week. Their singing has drawn me out of the office and may have made my eyes leak a little bit!!! But don't tell anyone!

Thank you for all of your support during this term. The children have achieved so much, and it has been wonderful to see the smiles, hear the buzz and see the learning everywhere I go. Our relationship with the children and the families is of paramount importance to everyone here. Everything we do involves thinking about how we can continue to provide the best experience and education that your children deserve. They really are amazing!

These wonderful girls organised the bake sale to buy stock for the library, and then they trawled the internet for second-hand books—all their idea! What a legacy they have created
