

# Penpol School Newsletter Friday 21th March

Let's explore what's been happening throughout the school this week!

## Nursery

Our Nursery Easter Stay and Play was a joyful success, filled with laughter, creativity and family fun. Children loved sharing activities, exploring and celebrating together in a warm, welcoming environment.

## Lighthouse

The children in Lighthouse have been on an adventure to Tehidy Woods, and they have been baking delicious chocolate chip cookies.

## Reception

Children in EYFS have been tasting a range of different vegetables during their 'Growing' topic. They sampled spinach, beetroot, sprouts, green beans and sweet potato, with some clear favourites and a few new tastes! It has been a great opportunity to encourage the children to try new foods and talk about healthy choices.

## Year 1

Year 1 enjoyed an exciting visit to Newquay Zoo, learning about animals and their animal groups. The children watched the penguins being fed and managed to feed the meerkats! We were extremely proud of all the children showing our Penpol Values of Respect, Friendship and Integrity throughout the trip.

## Year 2

Year 2 has had a fantastic week, celebrating their creativity and hard work. They painted the beehives they made last week, learned to sew their own bumblebees and practised Three Blind Mice on the recorder. They have also been growing broad beans and sunflowers.

## Year 3

Year 3 warmly welcomed parents for a joyful Cornish sing-along. Families joined together in singing traditional songs, celebrating local culture, building confidence and sharing a special, memorable musical experience.

## Year 4

This week has been full of exciting outdoor learning and adventure! In Forest School, Year 4 celebrated Potion Week by creating their own imaginative potions, mixing natural ingredients and letting their creativity run wild. To top it all off, they followed in Bolster the Giant's great big footsteps with a thrilling visit to the Mount, bringing a local legend to life and creating lasting memories.

## Year 5

Year 5 had an exciting Space Day, exploring planets, stars and astronauts. Through creative activities, investigations, and teamwork, pupils developed curiosity and deepened their understanding of the wonders of space.

## Year 6

This week in Year 6, they have been exploring the important role dialogue plays within narrative writing and diving into algebra. Many children have joined the new Boost and Biscuit club, working on areas of the curriculum they feel they need as we move towards SATs. They have really been showing our Penpol Value of Resilience!

## Pupil Spotlight

Cora, who usually plays for the Under 8s, stepped up to represent PZ Mixed Under 10s at a hockey tournament last weekend. The team delivered an outstanding performance and was crowned County Champions!

Thursday marked National Cerebral Palsy Awareness Day and was especially fitting as Josh proudly represented the Panthers, achieving his highest finish yet! This was a fantastic accomplishment and a real reflection of his determination and perseverance!

It was brilliant to see so many of our mini juniors take part at Hayle RFC on Sunday! Even though the teams were competing against each other, it's wonderful to see our Penpol Values of Friendship shining through on the field.

# Wilfred's Word of the Week

oys pask -  
Easter eggs

# Penpol Reading Army

We are looking for more recruits to join our Penpol Reading Army. If you or anyone you know can spare an hour or two each week, regularly, to listen to children read, we would love to hear from you. Please speak to the office to arrange a meeting and get signed up. All volunteers will undergo a routine DBS check. Thank you!

**Volunteers  
needed!**

# Key Dates for the diary W/C 30th March

## Tuesday 31<sup>st</sup> March

Healthy Cornwall Healthy Plate and Snack Tasting Workshop for KS1
