

World Book Day

On Thursday, we had a wonderful time celebrating World Book Day at Penpol. A huge thank you to our parents and carers for supporting our successful Book Swap by bringing in books to share. Children across the school enjoyed celebrating their love of reading by dressing up, sharing stories, visiting their Reading Buddies and writing fantastic character descriptions inspired by their favourite book characters.

Online Safety

We would like to make you aware of online platforms such as Omegle and similar "randomised chat" websites. Although the original Omegle has closed, sites like Ome.tv and other copycat platforms remain available. These sites randomly connect users with strangers via video chat and may expose young people to inappropriate or explicit content and language. While they are blocked on the school network, they can be accessed at home on personal devices.

For advice on chat apps and online safety, please visit the NSPCC website. Thank you for your continued support in keeping children safe online.

Congratulations!

We are always proud of the children's achievements outside of school. We would like to celebrate the children who attend Hayle Surf Life Saving Club, who took part in a competition in Cardiff last weekend and came 4th overall. What an amazing achievement - well done!

Nursery Vet Visit

As you know, we love our animals at Penpol. Nursery were very lucky to welcome Tamsin, Arthur's mum and a veterinary nurse, who visited us on Tuesday. Tamsin kindly gave one of our school dogs, Mabel, a check-up and talked to the children about how to care for animals. The children loved doing a bit of role play inspired by the session. Thank you so much for coming in to visit us!

Parent Survey

We'd love to hear from you! Please take a moment to complete the Parent Survey 2026, which helps us gather valuable feedback from our school community. Your views play an important role in helping us celebrate what's working well and identify opportunities to continue improving.

You can access the survey using the following link: [Parent Survey - Penpol 2026 - Fill in form](#)

Here is a QR code which you can scan to go directly to the survey.

Thank you for taking the time to share your feedback and support our school.
