NEWSLETTER

What a week that was!

We would like to thank everyone for their support this week. It has been an extremely busy one for our older children. They have calmly and positively taken part in the national SATS assessments. We are so proud of all their achievements. These assessments form only a small part of how we see your children. They are creative, talented and wonderful young people. You should be extremely proud of who they have become.

We can't wait to see who will be our next leaders, designers, sports champions, builders, business owners - the opportunities are endless! Enjoy the next few weeks - we intend to enjoy it with you!

Healthy Cornwall
CORNWALL COUNCIL

Bump to Buggy.

A walk most weeks in different locations

- 26th June & 31st July 10.00-11.00 Tehidy Woods South Car park TR14 0EZ

- 15.30 Nursery Stay and Play
- **Friday 22nd May:** JIL Day - Wear Purple

Congratulations!

Congratulations to Lexi who was part of the team that won the U11 Cornwall Youth League cup! Amazing achievement 😊

Wear Purple - 22nd May

Please support us and help change the lives of the 10,000 children and young people living with juvenile idiopathic arthritis (JIA).

JIA It is an **autoimmune** condition

JIA is a condition that causes joints to become swollen in children under the age of 16.

There is **NO CURE**

10,000 children in the UK have JIA

That's 1 in every 1000 children under the age of 16

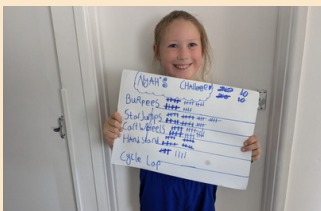

JIA is an autoimmune condition, which means the body's **defence** system (the immune system) starts attacking healthy tissue (in this case the joints) and we are not sure why it does this.

We will be wearing purple on Friday, 22nd May, in support of children who have JIA, juvenile idiopathic arthritis. There will be some collection boxes coming around school if you'd like to make a donation.

Gwenno

We are extremely lucky to be visited by Gwenno, an acclaimed musician. She is a Welsh/Cornish musician who celebrates the Celtic language. The night before, she is performing at The Minack Theatre, so we are very lucky to have secured a visit. Children in Class 12 will also be taking part in the filming of a documentary celebrating the Celtic culture and identity.

Well done to Nyah! She raised £164 for Children's Hospice Southwest. This was all her own idea - what a marvellous thing to do to help others. If you'd like to support her, please see the fundraising link below.

Jude, Kai and Eli had a fantastic day playing against teams from all over the country. They came runners-up in the R&T tournament playing with the Hayle Titans under 7's. Awesome - just look at those smiles :)

Community Compass

Breastfeeding Support

**Thursday's
Peer Support Group**

10-11:30

Hayle Family Hub, TR27 4ND

Drop-in Clinic

9:30 - 11:30

Porthey1 Room, Hayle Family Hub, TR27 4ND

Parent Portal

Each week, we will share an invitation to an online parent programme, run by experts from Cornwall Council. Here, they will offer ways to support your child at home and understand how our children grow and develop. There will be a different theme each week.

This weeks focus -

Introduction to Mental Wellbeing

Support your child or young person about their emotional well-being and talk to them about how they are feeling. Please follow the QR code to book.

Understanding your child -

The Solihull Approach

Listen to the parenting team discuss the Solihull approach, which is centred around their parenting workshops. Follow the podcast logo to listen.
