Friday 22nd May

Year 4 Camp

Year 4 were lucky enough to spend two action-packed days at Woodland Valley Farm. Activities included den building, dam building, hide-and-seek and feeding the farm animals, with plenty of muddy fun along the way!

After a barbecue, disco and karaoke, the children enjoyed spotting beavers from the Cornwall Beaver Project. After a good night's sleep, the adventure continued with a climb at Tide Climbing Centre.

Everyone should feel incredibly proud of their achievements. A huge thank you to Charmaine for transporting all the luggage — an amazing help!

Year 2 Sleepover

Year 2 had an unforgettable school sleepover, and what an adventure it was! The children had a brilliant time at the beach before returning to school for an exciting water fight on the field and enjoying time with friends around the school grounds. After a delicious fish-and-chip tea, everyone settled down to watch a film before a good night's sleep. A fantastic experience full of fun, laughter and wonderful memories!

Year 1 Forward Together Session

Year 1 enjoyed a wonderful Forward Together session with parents and carers. We took a walk through Hayle to explore and observe the different flowers growing around our local area. The children loved spotting a variety of flowers and singing songs about the different flowers we saw along the way.

When we returned to the classroom, the children worked together to identify and discuss the flowers they had found during our walk. A big thank you to all the parents and carers who joined us and supported the children during the session. We really appreciate your involvement and look forward to more Forward Together activities soon!

Raising Awareness for JIA

A huge thank you to everyone who wore purple to help raise awareness of Juvenile Idiopathic Arthritis (JIA), a form of childhood arthritis. It was wonderful to see our school community coming together to support such an important cause and help spread awareness. Thank you for your kindness, support and participation!

Wilfred's Word of the Week

Lowen hanter tymor! - Happy half term!

Gwenno Cornish Workshop

Class 12 recently enjoyed a wonderful workshop with Gwenno. The children were mesmerised by her beautiful singing and captivating presence. Gwenno spoke about her mixed Celtic heritage, explaining how she was born in Wales with a Cornish father, and how she grew up speaking both Welsh and Cornish.

She shared a range of songs, each telling its own unique story, and the children loved joining in. The question-and-answer session was especially inspiring, with the children asking thoughtful questions and learning more about language, music and culture. It was a truly memorable experience for everyone involved.

NSPCC - Speak Out Stay Safe Workshop

Children in Years 2, 5 and 6 recently completed the NSPCC Speak Out Stay Safe workshops. We were delighted to receive fabulous feedback from Vicki, who delivered the sessions, sharing how warmly welcomed she felt and praising the children for being so respectful and engaged throughout. We are incredibly proud of how the children demonstrated our Penpol Values during the workshops.
