LONDON review

Year 6 in the Big City!

This week, 56 of our Year 6 pupils spent three days in London on residential. They soaked up the sights of the capital while enjoying the very best of the British weather!

The trip was bookended by visits to the Science Museum and the Natural History Museum, with a trip to the theatre in between. Wednesday was spent enjoying Paddington the musical and exploring Parliament, where pupils had the opportunity to tour the Palace of Westminster and meet Perran Moon MP.

The children were fantastic ambassadors for our school throughout the trip, demonstrating excellent behaviour, enthusiasm and curiosity at every stop. It was a memorable experience filled with learning, laughter and lifelong memories.

A huge thank you to all the staff who gave up their time and spent time away from their own families to make this incredible opportunity possible. Until next year!

PARKING PLEA

Just a reminder to parents dropping off their children at school:

Please do not park in the farmer's entrance or on the yellow lines marked "No Parking". It is important to keep the line of sight clear for the member of staff helping children cross the road and to prevent traffic from backing up along the road.

Our main aim is to keep children, parents and other road users safe when arriving at and leaving school. Thank you for your support and cooperation.

Wilfred's Word OF THE WEEK!

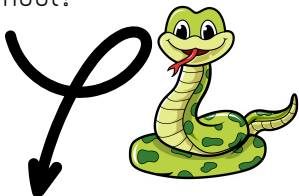

Dydh glawog yw hedhyw -
Today is a rainy day!

Thank you!

We would like to take a moment to thank all the staff who have, and are going to, support the children on their camp adventures. It really does show how much we value the experiences these provide the children.

What's a snake's favourite subject in school?

Hissssssstory!

gymnastics SUPERSTARS

Last weekend Elowyn (Yr 3), Martha (Yr 4) and Freya (Yr 6) represented Penzance Gymnastics Club at a National Gymnastics Association competition The Coastal Classic. They each competed against various clubs from across the UK, as well as other local Cornish clubs.

For Freya & Elowyn, this was their first time representing their club at a national event.

They have all been training so hard for weeks, and all that hard work and determination paid off with some fantastic results.

upcoming EVENTS

Monday 8th June

Stay and Play 11:00
