2nd April 2026 Happy Holiday!

Wow! What an incredibly busy and successful Spring Term. Your children have achieved so much in the classroom, outside the classroom and outside of school. Please enjoy your children's reports; they were such a joy to read, and you should be incredibly proud of the wonderful comments written about them. It is wonderful to see the sun shine again, and I wish you all a restful, happy time with your families. We look forward to welcoming you back on Monday, 20th

April. Mrs Pope
