A year in a note!

It is important to look back and reflect, as well as look forward and set goals.

It has been an incredible year, in so many ways, for all of our children. They have made amazing progress in their learning across all areas.

They have shown our school values towards each other, respecting our school and also contributing to the local community.

They have overcome fears, developed resilience and shown their passions through sport, art, drama, dance and wider activities outside of the school gates.

We are so proud of them, and we hope you all have a fun-filled holiday and enjoy your family time. We look forward to welcoming you back through those Penpol gates on Thursday 3rd September 😊

Reminder:

To ensure all the children are in school and ready to learn for the start of the day, just a reminder of timings:

8.45 Classrooms open

8.50 Gates closed; enter through
Reception/office

Penpol Values

These two pupils have really shown the value of integrity and friendship. Pearl and Ralph saw that people were getting caught in the brambles opposite the school. So one evening, they popped out and cut them off! Thank you so much; community spirit in action.

Year 5 Brass Bonanza!

Year 5 showcased a lot of puff on Thursday when they performed for parents and carers. They were incredible. It takes practise and commitment to learn to play - awesome Year 5 😊

Year 6 Showstopper!

There were so many shiny stars on the stage this week, dancing, singing and lighting up the hall. They were incredible, and I know it was appreciated by their families - they got a standing ovation.

Year 2 Shanty Shananigans!

There were some very tuneful Pirates in the hall this week, celebrating the magic of the ocean through song. They nearly took the roof off with their rousing renditions.

Cornish Heroes!

Congratulations to the Cornish team who won 6 awards at the Gorsedh Kernow Awards. They were Merryn, Stanley, Elodie, Morwenna, Gia, Jowan, Kamile, Rosa, Macie, and Violet.
